

CITY'S ANSWER IN COYKENDALL'S INJUNCTION SUIT READY TO SERVE

Council Is Informed By Mayor Canfield—Martin Resolution Asking P. S. C. To Re-frame Clause 2 Tabled—\$1,100 For Firemen—Other Matters.

Alderman William B. Martin of the Twelfth ward again attempted to upset the plan agreed upon for the Broadway crossing elimination at the regular monthly meeting of the common council Tuesday evening when he offered the resolution to re-frame clause two of the public service commission's order, which he had submitted at the May session, and which had been ruled out of order at that time. The only result obtained Tuesday night were some verbal fireworks from the mayor, and the tabling of the resolution by his brother aldermen until after the Coykendall injunction suit had been disposed of.

President Dittus presided at the session with all of the aldermen, and Mayor Canfield, present. Everything was moving peacefully along toward an early close when Alderman Martin's bombshell appeared in the form of the resolution to re-frame clause two, which clause binds the city to pay all damages amounting to over \$125,000 when the West Shore crossing on Broadway is eliminated, and which clause is now the basis of a taxpayer's action against the city brought by Edward Coykendall through his attorney, Judge Clearwater, to restrain the city from paying more than one-fourth of the entire cost of the proposed elimination.

As City Clerk Doremus finished reading the Martin resolution the silence in the council chamber grew and grew until finally it was broken by President Dittus who ordered the resolution tabled, as no one had seconded it.

Then it was that Alderman Macdonald of the Ninth ward jumped to his feet, and said that he seconded the resolution.

Schick Moved To Table.

Alderman Schick of the Third ward moved that it be laid on the table until after the hearing on the injunction had been disposed of, which was seconded promptly by Alderman Higgins of the Tenth ward.

"Is a Ridiculous Light."

Then Mayor Canfield arose in his place and attacked the Martin resolution. He said that already the council had taken action on a similar resolution, and that it would place the council in a ridiculous light if such a resolution was adopted at this time.

City Is Ready.

The council had directed the corporation counsel to prepare an answer to the injunction suit ready to serve, and the same is ready for service. The corporation counsel was also directed by the council to take any other steps necessary to defend the city's interests, and he is now ready to do so.

Attempt To Compromise Mayor.

"It is an attempt to compromise me," said Mayor Canfield. "And after the council has already taken the action it has in the elimination matter it would be absurd for it to adopt such a resolution as this."

"Alderman Warren knows who prepared this resolution," continued the mayor.

"Mayor Out Of Order."

"I think the mayor is out of order," interrupted Alderman Macdonald at this point as he jumped to his feet. "This is not a public hearing."

"I would like to ask Alderman Warren to name the man he thinks prepared this resolution," said Alderman Martin.

"Under the provisions of the charter the mayor can be heard either orally or by written communication at all times," said Mayor Canfield, pointing to be extinguished by Alderman Macdonald, "and as long as the mayor is in the city he is the mayor."

The mayor said that the council was not showing the office of mayor the proper respect, or at least a few of the council were not. He then went over the steps already taken by himself and the aldermen in the injunction matter, and said that the Martin resolution was an attempt to stop the city from doing its duty as one of the plaintiffs in the suit.

"It is desired by the plaintiff's attorney," said the mayor, "to have the city taken as this, and as a result would be made to pay the cost of the city's defense."

TEN ADMITTED TO CITIZENSHIP

Eleven applicants appeared before Judge Haabrouck Tuesday afternoon for final examination before being admitted to citizenship of the United States and ten of that number were admitted. One application, that of Abraham Masorsky, was dismissed as he had taken out his first papers while in Philadelphia and claimed Uster county as his home. Through being misinformed it will be necessary for him to take out new papers.

The ten applicants who were admitted to citizenship were: Petitioner, Herman Ehrlich, witnesses, Harry Brown and Moses Wolf.

Petitioner, Julius Boyer, witnesses, Victor Afton and Sam Posnick.

Petitioner, Dominick Milano, witnesses, Vincenzo Phillips and John Surico.

Petitioner, Stanislaw Musialkiewicz, witnesses, Arthur Schumaker and Edward J. Butler.

Petitioner, Albert Edward Brownrigg, witnesses, Lewis Pelet and Martha Pelet.

Petitioner, Giuseppe Bronnoli, witnesses, Herman S. Wells and C. B. Murray.

Petitioner, Salvatore Ligotino, witnesses H. A. Leat and John Castillano.

Petitioner, Joseph John Gardecki, witnesses Francis Lesniewski and Leo V. Grogan.

Petitioner, James Rundle, witnesses, William P. Freer and Henry Z. Butler.

Petitioner, Morris Kalish, witnesses Ralph Mann and Frederick Sahloff.

The High School Girls Varsity Basketball team officially closed the season on Saturday evening by having their annual banquet at the Y. M. C. A. Quite a number of the alumni gathered for the occasion and it was with a will that they pitched into the excellent feast prepared by Mrs. Becker, of the Y. M. C. A. room.

The menu:

Fruit Cocktail	Radishes
Olives	Jelly
Celery	
Roast Chicken	
Mashed Potatoes	Dressing
Asparagus	
Tomato Salad	
Strawberries	
Ice Cream and Cake	
Coffee	Tea
Milk	H 2 O

The tables were very prettily and artistically decorated with lilies of the valley, lilacs and carnations. These decorations, together with a bevy of pretty athletes, made a most beautiful scene, men being the only decorations lacking.

Miss Margaret Meeker acted as toastmaster of the evening and called upon the following for toasts: Captain Minnie Simpson, Manager Eva Hiller, Anna Byrne, Catherine Carroll, Miss Van Williams, Pauline Van Wagoner, and Miss Ruth Seigle, coach. The girls presented Miss Seigle with a handsome as well as useful silver coin purse. They fully realized that since the teachers had received an increase in salary Miss Seigle would need another purse to carry the surplus change in.

Those who attended the banquet were: Coach Miss Ruth Seigle and the Misses Margaret Meeker, Catherine Carroll, Minnie Simpson, Myrtle Van Williams, Anna Byrne, Pauline Van Wagoner, Eva Hiller, Anna Hurley, Dorothy Pelen, Anna Carter, Irene Kowalski, Lillian Nordman, Lizzie Breezy, Olive Drab, Carrie Pappas and Augusta Wind.

Somehow IMPROVEMENT.

Alton Cement Company Will Spend That Amount In Enlarging Capacity.

The Alton Cement Company has decided to expend \$200,000 in improving its plant at Alton so as to bring its capacity up to 1,000 barrels a day. The work will be carried on during next winter. A new crane costing \$25,000 has been ordered. The plant is now running at full capacity and danger of a shut down this summer is considered by a large supply of coal on hand.

Children Of Mayor Deceased.

The first meeting of the creditors of the bankrupt estate of Joseph Mayor, of Sag Harbor, will be held at the office of Amos Van Buren, referee in bankruptcy, on the 12th day of June, at his office, 254 Park street.

For the proof and allowance of claims, to choose a trustee, to fix the amount of the trustee's bond and to examine the bankrupt if desired.

That Was Which's Connection.

"That was my connection," said Alderman Schick, as the mayor sat down, and that is why I moved that the resolution be laid on the table."

MARRIES DYING GIRL HE SHOT

Robert Taylor Back in Jail After Strange Ceremony in Hospital Where His Sweetheart Died Three Hours Later From Bullet Wound Claimed by Him to Be Accidental.

By Telegram to The Freeman.

Chicago, June 2.—Under guard of policemen, Viola Carpenter and Robert Taylor were married late Tuesday night in a hospital where the girl was dying, a victim of Taylor's revolver marksmanship. After the strange ceremony Taylor was returned to his cell in a police station and a few hours later his bride was dead.

The two met in Akron, Ohio, two years ago, after Viola had left her home at Cedarville, Ind., to look for work there. They fell in love and lived together as man and wife, finally coming to Chicago. Last Thursday Viola was shot in the apartment where they were living. She told the police that she had shot herself accidentally, but Taylor finally admitted that he had done the shooting, that it was accidental. He was lodged in jail.

Knowing that she was dying, Viola last night said that it was her last wish that she and Taylor be married. The police consented and Taylor was brought to her bedside, bringing with him a marriage license he had obtained several weeks ago.

"Viola always wanted a marriage ceremony," he explained. "I always intended to marry her, but kept putting it off."

A priest was sent for. Then Taylor, sobbing, knelt beside the bed and took Viola's hand in his.

"Do you take this man to be your lawful wedded husband?" began the priest.

"I do," answered Viola, with a great effort in a voice scarcely audible.

"Do you take this woman—" "I do, I do," sobbed Taylor.

"Then I pronounce you man and wife."

The two embraced. The hardened policemen turned away to hide their tears. The priest administered the sacrament of extreme unction.

"Good bye, dear husband."

"Good bye, dear wife."

And Taylor was led away. Three hours later the news of Viola's death was brought to him.

The Knights of Columbus have gained 160,000 members in the past year, said Michael J. Larkin, of Rome, state deputy, in his address at Glens Falls, N. Y., Tuesday at the annual state convention of the order. Of this increase, he said 23,695, or more than 37 per cent, were in New York state. The order numbers 633,978 now, with 1,975 subordinate councils scattered throughout the United States, in Canada, Cuba, the Philippines, Porto Rico, Newfoundland and Alaska.

Of the \$40,000,000 collected for war work, Mr. Larkin reported, \$17,000,000 was spent. Five hundred clubs were erected in the United States and 209 overseas, while 4,000 secretaries devoted their services to the American and Allied armies.

"Teachings of Lenin and Trotsky," he said, "must not be substituted for the inspirations which have come down to us from Washington and Lincoln."

"The force of these destructive elements is being felt, and must be met with full realization of the increasing number of devotees. Socialism is full practice is seen in the Bolshevism of Russia. This dangerous 'ism' is fast gathering within its folds the thoughts of men seeking protection against the real, assumed or fancied oppressions of the day."

"Bolshevism must be driven from the gates of learning as well as from the workshop."

"The red flag of destructive force must not be exhibited for he Star Spangled Banner."

AGREEMENT ON SHIP SALE BILL

Conference Produce Bill Providing For Sale Of Any Or All Of U. S. Merchant Marine—To Foreign Buyers If None Found Here.

By Telegram to The Freeman.

Washington, June 2.—The sale of the American merchant marine is provided under the terms of the American merchant marine bill agreed today by the senate and house conferees. The bill provides that the shipping board may dispose of the vessels of the American merchant marine fleet to foreign purchasers if, in the opinion of the board, it is impossible to sell the vessels to American interests.

The bill provides, however, that before any ships may be sold to foreign purchasers, five of the seven of the board must approve such sale and must incorporate their reasons for supporting the sale in the minutes of the board.

No restrictions as to size or age of the vessels under the provisions of the bill is made.

WANTS GERMAN PEACE.

Catholic League Protests Use Of Negro Troops In Germany

Resolutions demanding that "a state of peace with the Central Powers be immediately re-established by the United States," and that the Peace Treaty be revised "according to the principles of Christian justice and charity," were adopted by the Catholic State League, a German-American organization, at its state convention which closed at Poughkeepsie, Tuesday.

The convention also protested vehemently against negro troops being allowed to remain in Germany and passed a resolution requesting the Federal Government to withdraw them from the territory.

Amidst the resolutions was expressed by local citizens, for feeling still runs high that Germany deserves harsh treatment at the hands of the rest of the world.

A prominent member of the league, in defending the stand taken, said that now that the war was over, the members felt that justice, at least, should be shown Germany for they have relatives there and desired to put in a word for the mother country.

A resolution was passed calling for "the application of Christian principles to the reconstruction and readjustment of the social plan" during the present unrest. The resolution insisted on the "importance of private ownership and the right to just remuneration and private enterprise."

The Rev. Joseph Rummel, D. D., of New York city was elected Spiritual Adviser and Charles Korz of Brooklyn President of the League.

R.R. MEN PRESENT ULTIMATUM

By Telegram to The Freeman.

Chicago, June 2.—Representatives of the nation's railroad workers informed the railway labor board today that "only an immediate and partial award of an increase of at least 18 cents an hour to all railway employees, pending settlement of demands, will meet the increasingly critical situation and prevent a complete collapse of transportation in the United States."

By Telegram to The Freeman.

New York, June 2.—The stock market was dull and without feature at the opening today. Prices generally moved within fractional limits and showed little change from yesterday's closing levels. Steel Common hung around 91½. Crucible advanced 1 point to 132. Baldwin was ½ higher at 112½ and Republic Steel showed an equal gain at 88. Mexican Petroleum rose ¼ to 172 and Pan-American Petroleum, after dropping to 100½, rose to 101½. Studebaker declined ¼ to 65½ and General Motors 1½ to 25½. Chandler was ½ lower at 127½. Fractional improvement was shown in the railroad shares.

Business was extremely quiet throughout the forenoon with a small rally in the majority of issues after the start, followed by another reaction. Traders assumed a waiting attitude in view of the approaching presidential conventions.

The market showed an improved tone during the afternoon, a drop in call money to 6 per cent caused rallies throughout the list.

The market closed irregular; government bonds unchanged; railway and other bonds irregular.

ANYBODY'S RACE AS NEW FIGHT STARTS FOR REPUBLICAN DELEGATES

National Committee Grinding Slowly In Contests At Chicago With Lowden and Wood Sharing Gains—Candidates On Ground and Arriving.

By Telegram to The Freeman.

Chicago, June 2.—With the G. O. P. convention less than a week off and the choice of the Republicans in such profound doubt that the most partisan supporters of so-called favorites admit the fight belongs to any man, the second desperate drive for delegates has begun.

So determined is the battle that practically every one of the principal contenders may appear upon the scene to lead his own particular contingents in person.

It was announced today from his headquarters here that Herbert Hoover might come to Chicago between now and next Tuesday, though if he came he would not stay for the big show.

General Leonard Wood today began his receptions in his Congress Hotel headquarters with an audience of newspapermen.

Governor Lowden is already in Chicago and Senator Hiram Johnson will arrive at noon tomorrow, to be followed later in the week by Senator Borah, his supporter from Idaho.

Other candidates are expected to hasten here or send their fighting lieutenants to carry on the contest for delegates for them.

Chicago, June 2.—The score stood 7 to 2 in favor of Governor Frank O. Lowden of Illinois, when the Republican national committee resumed its hearing on contested seats for the national convention today. Seven of the Illinois' governors supporters in Arkansas have been seated by the committee as against two for General Wood from the District of Columbia.

The two cases represent the only contests actually decided by the committee in two days. Progress has been so slow that, beginning tonight, sessions will be held nightly until all the contests are out of the way. The Lowden and Wood factions are practically the only ones involved in the contests. Senator Hiram Johnson's candidacy is involved in but two from the tenth district of Minnesota.

The national committee today reaffirmed its decision regarding the Louisiana delegation by unanimously voting to seat the so-called Kunz-Cohn "regular" faction. A majority of the Louisiana delegation is claimed by Wood, although Lowden also claims a few of them.

The Georgia contest was then taken up and found to be so involved that arriving at a speedy decision was declared impossible. A sub-committee appointed to investigate this contest, worked until late Tuesday night on the matter, bringing in a report that additional time was needed to investigate affidavits and other documentary evidence. Another committee was appointed to assist in this work. Raymond Benjamin, state committeeman from California, was appointed to aid the committee.

NAT'L COMMITTEE FAVORS JOHNSON

By Telegram to The Freeman.

Chicago, June 2.—On the first roll call of the Republican national committee, Senator Hiram Johnson won over General Wood by a vote of 36 to 12 today.

The test came on the committee from the tenth Minnesota district, the committee seating two Johnson delegates in preference to two Wood delegates.

Both delegate lists had been regularly reported. Committeeman R. B. Howell, of Nebraska, led the fight against seating the Johnson men.

MAY DELAY LIQUOR DECISION

Traditions Of Supreme Court Free From Politics And Bearing Of Decision In Campaign May Result In No Pronouncement Until December.

By Telegram to The Freeman.

Washington, June 2.—The U. S. supreme court may not hand down a decision in the liquor cases until next December because of the political issues involved.

Close students of the ways of the court and of the strict adherence of its members to precedents, are making this prediction freely today in view of the delay of the court in rendering its decision on the constitutionality of the prohibition amendment and on the validity of the Volstead enforcement act.

The liquor question, it was pointed out, is an issue in the political campaign now being waged, and will continue to be an issue in the greater campaign coming after the presidential and congressional nominations. The presidential nominations are now imminent.

There always has been a studied determination on the part of the supreme court justice to hold the court aloof from political strife and to prevent its decisions from being made the football of partisan politics. It has no intention now, it was said, to set itself up as a presidential maker.

Politicians have predicted that the decision of the court in the liquor cases will have direct bearing on the selection of candidates for the presidential nominations and on the framing of the platforms of the leading political parties. Either the "wet" or the "dry" forces will be stimulated to greater effort by the final action of the court both in the nominating conventions and in the general elections to follow.

Present indications are that political leaders, believing it the part of wisdom to ignore the liquor issue, are planning to be silent in their platforms on the subject and to leave their candidates free from party pledges.

The United States supreme court may decide it wise to pursue a similar course and withhold its decision until after the political fight is over.

Defend Lowden and Wood Courts.

By Telegram to The Freeman.

Chicago, June 2.—General Leonard Wood and Chairman Louis Emmerson, of the Lowden campaign committee, today defended campaign expenditures on the ground that they are legitimate and necessary.

General Wood, in his first meeting with newspapermen after he returned from Chicago, declared himself in favor of some degree of making it unnecessary to spend so much money in political campaigns.

CARNIVAL COM'Y HERE NEXT WEEK

The Perry & Gorman Joyland Midway Carnival, under the auspices of Excelsior Hose Company, will appear in Kingston next week for a two weeks engagement at the Kingston Fair Grounds park on Washington avenue. A contract for the two weeks engagement was signed Tuesday night so that the carnival will be in town during the firemen's convention.

Excelsior Hose company in securing the Perry & Gorman carnival has brought to town one of the best carnival companies on the road. The carnival carries with it twelve shows and about thirty-five concessions and 140 people. Each day there will be three free outdoor acts. Sergeant Reese, the strong man who allows a seven passenger automobile to run over his chest, a girl slack wire stunt and a high diving act performed from a platform 65 feet high will be the daily attractions.

This carnival has appeared for the Police Association at Amsterdam and also at Schenectady and in both towns gave entire satisfaction.

There will be no admission to the grounds and of course there will be a popular voting contest, prizes to be awarded to the most popular lady, most popular baby and a bicycle to the most popular boy. Miss Gorman is stopping at the Hotel Stuyvesant.

where she is making arrangements for parties in the various contests. During the two weeks from June 7 to June 13 there will be special days for the children of the Industrial Home and other institutions.

The carnival will arrive over the West Shore with their own ten car train and take up their headquarters on the grounds of the Kingston Fair Grounds Association on Washington avenue at the head of North Front street.

DUST IS DUSTY.

Reader Comments of Kingston Point Park—Advances Use of Gravel.

Editor, Kingston Freeman.

Dear Sir: I was down to Kingston Point Park on Decoration Day, and I take my pen in hand to indite a few thoughts as to what the city ought to do, as I understand the city now runs the park. In the first place I never saw the park so dusty in all the twenty years I have visited it. It would seem to me as though it would not cost much, now the city does its own stone crushing, to use a little gravel on the walks and paths.

Another thing; some way ought to be provided to get refreshments to the various booths without letting automobiles run through the park like they do. It is a nuisance, and should be abated.

Still another thing; some one had

a "bright" idea of putting ashes on the ground under the swings instead of gravel and now the children dressed in white look like frights after they have used the swings a few times.

I don't want to knock, but the park is a beauty spot along the Hudson river, and by the use of a little gravel and some common sense it can be kept that way.

Hoping that the city authorities will take this matter in hand, I remain,

Respectfully yours,

A PARK VISITOR.

India Rubber Strangely Named.
 Few articles seem more strangely named than India rubber. It gets its name from the first use to which it was put—that of erasing pencil marks in rubbering. Nor should it be associated with India. The tree was first mentioned by an explorer among the Mexican Indians three centuries ago.

A Good Refrigerator

—IS THE—

Best Investment

Every type and style of refrigerator is represented in our large display, including side door models, top door, apartment style as well as ice chests. They are all constructed so that there is a constant circulation of cold, dry air in all parts of the refrigerator. They have thick insulated walls and are guaranteed ice savers. Our prices range from

\$16.50 to \$185.00

Every housewife knows that a poor refrigerator is a poor investment in the long run. A good refrigerator will save food that would otherwise spoil, with a minimum consumption of ice. In fact, it will practically pay for itself during a single season in the food it saves, especially in view of the present high cost of all food stuffs. You can surely choose your refrigerator here because we guarantee every one.

KINGSTON, N. Y., JUNE 2, 1920.

NOW MAKE GOOD.

Kingston having decided that it will not have a Community Fund, principally on the ground that it will not delegate to any committee the power to decide what shall be done with other people's money or what objects of charity shall be supported and in what proportion they shall be supported, we are right back where we started from and it is now up to the individualists to make good their expressions of willingness to give to this, that and the other specific object.

The plea that a Community Fund would head off seven "drives" was one of the untruths that went far toward making a failure of the project, as none of the seven institutions named had ever held a "drive"—in the sense of a general and spectacular campaign—to raise funds for its maintenance. There will be no need for such a "drive" now if those who believe in and have expressed a willingness to support the various specific institutions will give substantial cash evidence of their sympathy.

This ought to be done voluntarily, without pressure or hysteria, as it was done in the past before the war emergency brought the "drive" into being. We believe it will be done, if the demands are reasonable, the purpose clearly a necessary one and the case clearly and dispassionately set forth.

But while all these campaigns are going on, let us not forget that ability to contribute to any cause rests upon the general prosperity of the city and that, therefore, it is the course of wisdom to see to it first that we do not neglect to liberally support the Chamber of Commerce, the chief agency in the development of the growth and prosperity of Kingston. Give as you feel able to, but be sure to reserve sufficient to invest in the welfare of the whole city by giving adequate support to the Chamber of Commerce.

A legal victory which may eventually restore to the State approximately \$40,000,000, lost because of an amendment to the inheritance tax law signed in 1911 by Governor John A. Dix, was won last week in the Hatty Green decision. This case, according to Comptroller Eugene M. Travis, was the result of a four-year struggle in the courts where his attorney, Lafayette B. Gleason, finally secured a decision which imposes a tax of nearly \$2,000,000 on that amount of property used in New York State by Hatty Green. The decision, however, will have a far reaching effect upon the estates of many multi-millionaires whose fortunes were made in this state, yet sought to be exempted from payment of the tax because of some alleged residence elsewhere. It will also result in collecting considerable additional money from the estate of Baron William Waldorf Astor, now pending.

LOOKING FOR RESULTS.

The people of this state and nation are looking to Chicago for action which will assure them relief from conditions which have been prevalent during the years of the Wilson administration and which can only be relieved by the election of a Republican president. There is no doubt as to this and the people are convinced that whoever is nominated will be qualified to perform the enormous task which is ahead. And when the word "people" is used it means the merchant, the manufacturer and the substantial working people who realize that there must be a man at the head of affairs in Washington who is practical and who has acquired his knowledge by actual experience and who does not have to trust to theories.

The people of this country are of average intelligence and when they reach a decision they make every effort to register their opinion where it will count, and that is in the voting booth. "No help" is out of our mind, and other slogans will not sway the voter. As the time has come when things must be done and done right.

they were more rhetorical than practical.

It is results for which the people are looking, and they have come to the conclusion that the only chance there is for a restoration of order and sound principles is through the instrumentality of the Republican party. The people, too, have confidence in what the delegates at Chicago will do and they are now waiting for the time to arrive when they can endorse what was done by the convention. As has been said, the people know that something has been wrong and they are waiting anxiously for the day to arrive when by their votes they can help in the adjustment. With the people in this election, it will be a case of self-preservation, which they know can be accomplished by supporting the Republican candidates. As a matter of fact, this year it is more of a personal matter with them than political.

If the notorious draft dodger has a sense of humor, he must regret that he did not ask for leave of absence from prison to look for pirate gold instead of his own alleged buried treasure, for it looks as if this would have worked equally well in the case of army officials so ready to oblige.

TOO SLOW FOR ANDREW

But Charleston People Are Quick Enough For Ralph.

Editor Ralph LeFevre of the New Palitz Independent in last week's issue of that publication says: Andrew L. F. Deyo, who has recently returned from Florida, was a caller at the independent office on Monday. We do not see Andrew often, and when we do our conversation has been about our mutual experiences in the southwest fifty-five years ago. Now, however, the talk was about Charleston, as compared with other cities in the south. He does not think the Charleston people very progressive. We certainly found them exceedingly hospitable and by no means lacking in enterprise. They have had much to contend with.

HURLEY.

Hurley, June 2.—It is spring cleaning time and our Hurley women are hard at it. In addition to their individual house cleaning proclivities, pleasure and enjoyment, they must needs with help of the men folk, tackle the church for its annual visitation of Dutch caps, pails, brooms, brushes, soap, cleaning powder, cloths and the whatever else so necessary; perhaps this may have been a decennial cleaning, for the pretty edifice and its contents were subjected to beating, and banging, washing and scrubbing, sweeping and dusting, wiping and polishing until it appeared, the following day, like a smiling May morning or like Stephenson's school boy with his "shining morning face." About every family was represented in the cleaning force and although very tired, everyone went home happy, with a feeling of "well done."

As an aftermath of the Christian Endeavor convention held in our village church, let it be said that the local Christian Endeavor Society did its very best to make the affair a social success as well as an inspiring success, and the results show it in every manner. Every member of the society may take pride in its share of this success. There was a goodly attendance but there was plenty of room for more. Those present were treated to a rare program of exceedingly good quality. The speakers were so inspiring in their addresses that the audience was thrilled with enthusiasm. The singing by the local talent was choice, opportune and heartily enjoyed. A nice sum of money was given for the work of the society; everyone left the audience hall after the different sessions with a fine feeling of enjoyment and enthusiasm. But—and this is a big but—this mental jubilation was not all. The ladies of the local society had prepared in the basement a most bountiful and appetizing supper and lunch, to which as much attention was paid as to the meal offering up stairs. The tables were very prettily decorated and the young women waiters were most active in attending to the wants of all present. No wonder that at the close of the Thursday lunch a hearty ringing vote of thanks was extended to the ladies for their efforts and to the local C. E. Society for their hearty hospitality and arrangements. The Hurley society may well feel proud of another success to its many already achieved.

The village is most decidedly pleased that Lawrence French has accepted the call to fill the church pulpit. The charm of this call is its unanimous nature; all felt he was the man. The final definite call was made last Friday night. Mr. French will assume charge immediately, beginning with Memorial Sunday.

The Rev. Mr. Lemington gave a hearty talk in the village church on Friday night on the church extension work.

TWENTY AND TEN YEARS AGO.
 June 2, 1900.—Fare on Stony Clove railroad reduced to three cents a mile.

Ira Black, E. M. Wither and Henry Beck elected delegates to Democratic state convention.

June 2, 1910.—Frank A. Grant of Liberty and Miss May Ostrander of Albee street married.

Charles R. Hazen resigned as science teacher at Kingston Academy.

MONTANA.

Helena, June 2.—Mrs. Agnes Smith spent one day last week in Kingston.

Mr. and Mrs. Stett and son, John, have moved to spend the summer in Mr. Stett's cottage in this place.

Mrs. Alfred DeWitt spent a few days last week with Mrs. Freeman Phillips.

Mr. and Mrs. Smith have moved to their new residence in this place.

MILTON OBSERVED MEMORIAL DAY

Milton, N. Y., June 2.—(Special to The Freeman)—Memorial Day exercises were held in Woolsey's Hall Monday afternoon at 2 o'clock. There was a very large attendance. Advance Lodge Band of Marlborough furnished the music for the occasion. Postmaster William C. DeWitt of Kingston and Capt. Gifford Hallock were the speakers.

Mr. DeWitt gave a very interesting address on the American spirit shown during all our wars and for example he took General U. S. Grant, George Washington, Admiral Dewey, Farragut and Paul Jones and many other noted men, who, during these wars showed how the American spirit was in them and in the manner in which they led their armies won their victories. He also spoke of the American spirit shown in our soldier boys overseas during the late war. It was apparent to all present that Mr. DeWitt was a man with a most marvelous memory.

Capt. Gifford Hallock, who has been in service overseas, gave an interesting talk regarding Memorial Day observance in France and the cemeteries over there.

The following program was read: Prayer, the Rev. D. N. F. Blakey.

Recitation, Miss Hazel DuBois of New Falls.

Cornet duet, Badner Brothers. Recitation, Miss Rhodes.

Song, school children. Recitation, Ethel Martin.

Solo, Miss Mary Santoria. Chorus, "My Country Dear," school girls.

Selections, Advance Lodge Band. Address, William C. DeWitt of Kingston.

Recitation, "The Dear Old Flag," Miss Hazel DuBois.

Selections, Advance Lodge Band. Recitation, "The Flag," school boy.

Address, Capt. Gifford Hallock. Selections, "Dixie," "Marching Through Georgia," Advance Lodge Band.

Upon the stage were seated five veterans of the Civil War, all that remain of the one hundred and ten from the town of Marlborough.

Many of our soldier boys who had returned from overseas and camp were present.

For over fifty years the members of Ketcham Post, G. A. R., have observed Memorial Day in this manner, and much credit is due them and Capt. C. M. Woolsey for their untiring efforts to do so as the exercises have always been interesting to all who attended them.

They have also been a great help in training the children in the way to become patriotic and love their country, its flag and all that it stands for.

The late war, although a sad and terrible one, has done more to teach loyalty to the children for their flag and country than anything else could have done. It is to be hoped that their loyalty to country and flag will never fail and that they in coming years will show the same American spirit their fathers and brothers have shown in the past.

OUR DAILY PATTERN.

A New Play Apron.

Pattern 3234 supplies this attractive style. It is cut in five sizes—1, 2, 3, 4 and 5 years.

A four year size will require 1 1/2 yard of 36-inch material.

Gingham, khaki, unbleached muslin, cambric, seersucker, percale, etc., are good for this model. As illustrated, the apron is made of white cambric, with stitching in red cotton.

The pockets are "cut out motifs." Embroidered and applied to the apron with stitching; the upper edge is left free to form the pocket opening.

A pattern of this illustration mailed to any address on receipt of 11 cents in coin or stamps by The Freeman Pattern Department, Rondout, N. Y. Be sure to state size wanted.

Chenango Section.
 Send 12c in silver or stamps for our latest catalog, spring and summer 1920 Catalogue, containing 550 designs of Ladies', Misses', and Children's Patterns, a concise and comprehensive article of dressmaking, also some points for the needle (including 20 of the various, simple stitches), all valuable hints to the home dressmaker.

Try One Brunswick Then Decide

It's the best way to know for yourself the superiority of the
Brunswick Tire is to buy one and compare it.

That is, if the very name of Brunswick isn't sufficient proof
to you, as it is to most men, that here is an extraordinary tire.
Thousands of men who have known the name of Brunswick
for years, realize that a Brunswick Tire has to be the best
for a mediocre product could never bear this historic name.

Long before the Overland Trail became famous, the House
of Brunswick was established. It was one of the chief
of rubber for fifty years before automobiles came into use.

No concern with such a history could afford to offer any-
thing but the best. For reputations are built slowly, but can
be quickly destroyed.

This is a practical guarantee that Brunswick Tires offer
more than the usual, yet at no added cost.

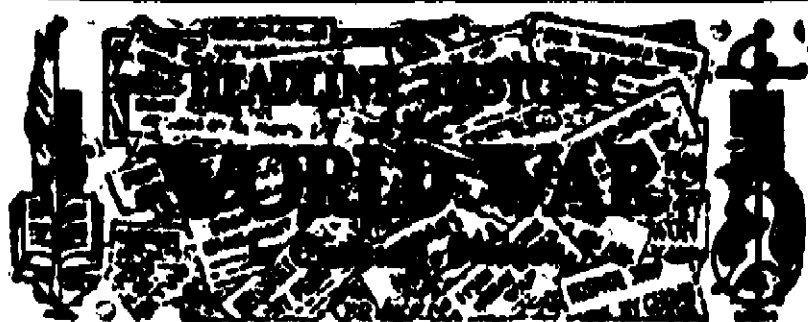

Get your first one now. You'll not be satisfied until you
get ALL Brunswick.

WHAT HAPPENED JUNE 2, 1915

Wilson in note to Mexico demands peace. Warns factions they must unite in very short time or United States will intervene. Insists on stable rule. * * * Austrians take more Przemysl defenses. Russians attacking banks of Mackinson's army along the San, in effort to cut off entire force. * * * British gain near Ypres, carry Chateau Hooge by bayonet charge.

1916.

Twenty-six warships with 7,500 men lost in battle in North Sea off coast of Scotland. British lose 14. Germans 12. Berlin claims victory; London calm but eager for details. Loss of battle cruisers may alter our navy plan, if they are proved in history; about \$200,000,000 of material lost in one afternoon.

1917

Anarchists parade in Petrograd demanding the commune and "down with capitalists." Duke

Nicholas reported arrested in Caucasus after Royalist riots in Tiflis. Red movement results in fraternizing of supposedly enemy troops—Russian and German along eastern front. Strikes tie up Russian industry.

1918

French resistance stiffens and British reserves come up as German offensive slows up. Many towns recaptured as Germans are thrown back around Soissons. Enemy at Chateau Thierry but allies hold western half and regain ground southwest of Rheims. Resistance grows fanatical along the Marne, well remembered name inspiring the French to win against tremendous odds. * * * Berlin urges a "peace offensive" a commission empowered to demand certain terms of peace.

1919

Reds plant bombs for anti-red officials and prominent men in eight cities. Bomb laid at Attorney General Palmer's house explodes prematurely killing the anarchists themselves. Palmer and family safe. Country horrified at outrage.

AT THE THEATRES.

William Farnum at Keeney's—"Some Wild Oats" a Sensation.

"The Orphan" the thrilling tale of the west as it was in the days of the outlaws and "Redskins" proved to be one of William Farnum's best photoplays ever shown at Keeney's and will be repeated again tonight. The Pathe Review, Literary Digest, Mutt and Jeff cartoons and Gaumont News are added features. Tomorrow a new star of the screen Constance Binney in "Erstwhile Susan."

"Some Wild Oats," an educational photoplay, passed by the local board of censors, who have permitted this sensational film to be shown in Kingston tonight at the Opera House, seven o'clock for women only and at nine o'clock for men only.

"The Peddler of Lies," the attraction at the Auditorium tonight starring Frank Mayo and Ora Crew is a delightful tale from the Saturday Evening Post story by Henry C. Rowland. Charlie Chaplin comedy and Adventure travel scenes are added features. Tomorrow a double feature will be presented, William S. Hart in "Dakota Dan" and Lila Lee in "The Heart of Youth."

Sure Death to Corns

"Goto-It" Makes 'Em Lose Their Grip and Lift Off Painlessly.

The first thing "Goto-It" does when it hits on a corn or callus is to numb out the pain. Then it draws the corn or callus and loosens it.

"Goto-It" is almost ready to tell you how to use it. Just a little bit of "Goto-It" and you're free of your corn. You don't even feel it. Because there is no hurt left in it. Because "Goto-It" has been proved in the clinical service of the most famous medical men and most prominent medical men.

"Goto-It" is the never failing, guaranteed, sure cure for every corn, callus, wart, or any other skin trouble. It is a little bit of "Goto-It" and you're free of your corn. It is sold in America and recommended as the world's best corn remedy by Chas. H. Drax Co. and W. W. Johnson.

SECURES CARNIVAL

Excelsior How-To Bring Big Amusement Company.

"Joyland," a Midway Exposition, has been secured by Excelsior How Company to play a two weeks' engagement in this city, from June 7 to June 19th. The exposition will arrive on ten railway cars on Sunday afternoon, June 6th over the West Shore. The new amusement park, head of North Front street, near Washington avenue has been secured. This is one of the largest carnival companies on the road, carrying forty shows and concessions, with three free outside attractions that are known as thrillers. There will be no admission fee to go on the grounds.

NEW PALTZ WOKE UP

And Now Keeps Time With Rest of the County.

Our village woke up on Monday morning on daylight saving time. The change of time on the Walkkill Valley and trolley made it necessary that we should get up one hour earlier. The Normal School fell in line on Tuesday morning. For some time past it has been a regular mix up with some of us on one time and some on another.—New Paltz Independent.

SAMSONVILLE

Samsonville, June 2.—All are pleased to hear the family of John Kelder is improving.

Our district school has closed and Miss Moulton, the teacher, has returned to her home and we are sorry she is not going to return with us another term.

Mr. and Mrs. Kenneth Barley called on friends at Palentown recently. Dr. Duford was through this place calling on his sick patients recently.

Merrill Chambers, who has been ill has improved and has now shipped his last hoops for the season.

We hope to see a large crowd at church. Miss Mildred More was at home for the week end.

Paltz Trolley Wants Increase

Application has been filed by the New Paltz, Highland and Poughkeepsie Traction Company, operating the trolley line from Highland to New Paltz, with the public service commission, for permission to increase rates of fares. The new rates include an increase of from seven to ten cents in fare between New Paltz and Oliveville, and Oliveville and Lloyd. Lloyd and Pratt's Mills, Pratt's Mills and Highland. It also specifies an increase of from 14 to 20 cents from New Paltz to Lloyd, Oliveville to Pratt's Mills, Lloyd and the Highland ferry landing.

We Have Goodyear Heavy Tourist Tires Too.

Why a Majority of the Smaller Cars Come on Goodyear Tires

Last year more cars using 30x3, 30x3½, or 31x4-inch tires were factory-equipped with Goodyear Tires than with any other kind.

This is plainly a result of the high relative value produced in these tires for the smaller cars by Goodyear's enormous resources and scrupulous care.

They represent the same intense endeavor to supply utmost satisfaction in tires that has laid the basis for the marked preference which exists everywhere for Goodyear Tires in the larger sizes.

This real Goodyear value in tires is available for your Ford, Chevrolet, Dort, Maxwell, or other car using one of these sizes, at our nearest Service Station. Go there for these tires and Goodyear Heavy Tourist Tubes.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread.....	\$23.50
30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread.....	\$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in under- \$4.50 proof bag.

SOCONY TRACTOR OIL

Grain in the Barn Not in the Straw Pile

Clean threshing depends on keeping the cylinder revolving at normal speed—requires ample, dependable power. Maximum power depends on proper lubrication.

The normal operating heat of a tractor engine is inevitably high, and the partial condensation on cylinder walls of the heavy fuels commonly used on tractors adds to the difficulties of lubrication. Therefore, tractor engines require a special oil which will resist this decomposition and diluting action of heat and fuel. Unless the lubricant maintains its body under these conditions, it will fail to give maximum protection against wear.

Socony Tractor Oil is manufactured especially to meet these requirements. Use Socony Tractor Oil and Socony Oils, Greases and Fuels. They will keep your tractor working at fullest efficiency and economy. Sold where you see the red, white and blue Socony Sign.

There is a SOCONY LUBRICANT of the right consistency for every mechanical need.

880 Jug Kills Ducks.

By Telegraph to The Freeman.
Glenview, Ill., June 2.—After
getting their bills full of an acerbic
sediment which had collected at the
bottom of the silo on the Biers farm,
near here, two ducks chased all the
other fowls off the farm, attacked a
number of Glenview residents and
hit a policeman on the shin. Then,
staggering back to the farm, they
crawled under a stove and died of
duck delirium tremens. Their gis-
ards have been sent to a chemist
for examination.

HOOKER
A Business Man
For GOVERNOR

ELON H. HOOKER

Candidate for the Republican Nomination

The great mass of voters of New York State—
both men and women, are determined that
the business of this state shall be run by a
Business Man.They want a Business Man for Governor.
They will elect only a man of proven business
capacity, and—

HOOKER IS THE MAN

A man of high ideals and big accomplishments.
A manager of men, broad-minded and human,
he has the punch and the ability to get things
done quickly and right.

Hooker himself says:

The citizens of this State are entitled to a
business-like conduct of their affairs and
should demand nothing less.Considerable in Turkish Delight.
The only pure product used to an ap-
proachable extent in America is such
as this. This is employed to make the
essence of Turkish delight, a clear
jellylike confection popular in the
East.According to a trade journal the
largest factory in America is a stu-
dy of the head carved on the handle. This
is reproduced in the first step toward
a really reliable tracing machine.

VAN WAGENEN NOT SERIOUSLY HURT

A horse owned by David Van Wagenen, of St. Remy, a 70 year old farmer and fruit grower, standing near the wholesale house of Everett and Treadwell on Broadway, became startled because of noise from a cart being dragged rapidly along by some boys, Tuesday afternoon about 4:20 o'clock and started to run away. Mr. Van Wagenen rushed after the horse, caught the reins and was dragged on the rough brick pavement of Broadway that had been relaid preparatory to being widened. He fell on the pavement near the West Shore crossing, the horse dragging the wagon going on. Mr. Van Wagenen was picked up and taken to the Hotel Ulster where Dr. W. J. O'Leary was sent for and first aid given by Sergeant Phinney and others. Dr. O'Leary found that Mr. Van Wagenen had sustained a bad cut in the back of his head and was suffering with a concussion of the brain, and also that the man had received a very bad cut on one of his hands. Mr. Van Wagenen was conveyed to the Benedictine Sanitarium. The horse ran into Cedar street where he was stopped. Nothing serious is apprehended.

EDWIN SHADER A COP 29 YEARS

Today Marks Anniversary of His Joining the Force—Before he Became a Policeman He Was a Baker by Trade—An Excellent Officer.

Policeman Edwin Shader is quietly celebrating today his twenty-ninth anniversary as a member of Kingston's police force. He became a member of the force June 2, 1891, and since then has been one of the most popular and efficient members of the department.

Before donning a blue uniform Officer Shader was a baker by trade, and just prior to joining the force he was employed by Alderman Sherman Higgins, who, at that time conducted the bakery now conducted by Edward Post on Broadway, near Franklin street.

Officer Shader during the past twenty-nine years has seen many changes in the department, and he is not only the oldest in years of service on the force, but the only one of the original department still in active harness.

Those who are interested in mathematics figure that Officer Shader while on patrol duty during the past twenty-nine years has walked 105,000 miles. How many pairs of shoes he has worn out is not estimated, and Officer Shader himself has not the least idea as he never attempted to keep track of them.

Officer Shader's host of friends wish him many more years of health and happiness.

HYLAND STORE GUTTED BY FIRE

Shortly after 1:30 this morning Officer Snyder discovered fire in the cigar and stationery store of James J. Hyland at 580 Broadway, near the corner of Cornell street. An alarm was turned in from box 61, corner of Broadway and Railroad avenue, to which the firemen quickly responded. Before the flames were placed under control the fire had completely gutted the store and had eaten its way through to the store of the Ulster Storage Battery Company, next door, which was slightly damaged. The prompt arrival of the firemen prevented the entire building from being destroyed.

ESOPUS.

Esopus, June 2.—Mr. and Mrs. Fred Martin entertained Mr. Martin's sister, Mrs. Amos Dushman, of Ticonderoga, N. Y., for a few days last week.

Mrs. Charles Thompson spent Thursday in Kingston.

The time for the preaching service in the Methodist Church has been changed to 3 o'clock instead of 2:30 and Sunday school at 2 o'clock instead of 1:30. The pastor deemed this advisable as members of the congregation say they cannot get the midday meal in time for the children to attend Sunday school, and also some cannot get to the church service.

Dr. Wright earnestly hopes to see a large number at the services in the future.

Alfred Terpening was taken to Kingston in an automobile on Saturday and will again enter the tuberculosis hospital in that city. His friends all hope that he will improve as rapidly as he did during his previous sojourn there.

Herbert C. Ashton and wife spent the week end with Mr. Ashton's mother, Mrs. Edward Ashton.

Mrs. Harrison Wright and little daughter are visiting friends in New York city.

Tracy Freer of Schenectady, a son of Mrs. J. L. Schultz, motored to Esopus on Sunday morning.

Esopus, June 2.—Mr. and Mrs. Schultz, of Esopus, N. Y., were in Kingston on Sunday morning.

Mr. and Mrs. Ira McIntosh and Mrs. Hall, all of Hobart, Delaware county, were unexpected guests at the home of Mr. and Mrs. J. P. Ganoung on Sunday. They attended a funeral at Newburgh during the forenoon and stopped here on the return trip.

Letters from Mrs. Phoebe McLean to her son, Harlowe, give the pleasing information that her daughter, Mrs. Robert Dickman, of Margaretville, is improving. Mrs. Dickman has been seriously ill with pneumonia and measles. Her little son, Robert, Jr., has also contracted the latter disease.

Mrs. Amy Sheeley had quite a house party for Sunday and Memorial Day, consisting of her son, Leo Sheeley, and little boy, Vernon, of Newburgh; her daughter, Mrs. Ovid Baker, husband and two daughters, Harriet and Mildred, and Miss Mabel Baker, sister-in-law of Mrs. Baker, all of Jersey City. The Sunday evening supper was a "birthday" meal in honor of the three young guests. Harriet Baker, whose 12th anniversary occurred on that day, Mildred Baker, who was 6 years old on May 21st, and Vernon Sheeley, who will be 12 on June 24th. A large birthday cake graced the dining table along with the other profusion of goodies, including an immense pineapple from Jersey City. The grown-ups as well as the little folks enjoyed the occasion exceedingly.

"Nothing better for the Skin"

This is what thousands of doctors throughout this and other countries are telling their patients every day, when explaining to them how Palmer's SKIN-SUCCESS Soap, especially prepared as an emollient cleanser for the skin and a preserver of good complexion and an improver of poor ones, is far better for that purpose than any ordinary toilet soap possibly could be.

CHILD RAN IN FRONT OF AUTO

Ida, the four year old daughter of Mr. and Mrs. Charles J. Swart of No. 238 Catherine street, is confined to her home with a broken jaw and a scalp wound, sustained Tuesday evening about 6:30 o'clock when she ran in front of an automobile driven and owned by W. B. Terwilliger of East Ulster street. At the time Mr. Terwilliger was driving up Gill street, and the little girl started to cross the street. To avoid hitting the child Mr. Terwilliger ran his car over to the left of the road, but the child, evidently confused, ran in front of the machine and was knocked down. In the car were Mr. and Mrs. Terwilliger and Mr. and Mrs. H. Van Valkenburg, all on their way home. Mrs. Van Valkenburg, a daughter of Mr. Terwilliger, is a trained nurse, and she administered first aid to the injured child, which was carried into a neighbor's house nearby. The parents were notified and asked that Dr. J. S. Robinson, the family physician, be sent for, and the injuries were dressed by him. It is not thought that the child's injuries will prove serious.

STOLE A BANK.

News Then Carried It Away On a Stolen Bicycle.

John Nevens, formerly of Ellenville, who was employed on the farm of Joseph Pratt, Jr., at Stone Ridge until Sunday is wanted by the Ulster county authorities on a charge of stealing a bank and then appropriating a bicycle for use in getting away. Nevens was employed on the Pratt farm and Sunday stole a small toy bank belonging to a boy who lived there, he then disappeared with both bank and bicycle.
